

GULLIVERS COOMERA

**HEALTH & SAFETY FRAMEWORK
FOR REBOOTING THE SWIM SCHOOL
BEYOND COVID-19**

GULLIVERS COOMERA WILL RESUME LIMITED SWIM SCHOOL OPERATIONS ON MONDAY MAY 18

IN ACCORDANCE WITH QUEENSLAND HEALTH GUIDELINES.

OPERATIONS WILL BE IN ACCORDANCE WITH “GULLIVERS COOMERA LEVEL A”

STRICT MANAGEMENT PLAN AND GUIDELINES (BELOW)

COVID-19 RESTRICTIONS WILL APPLY.

GULLIVERS COOMERA PRINCIPLES FOR THE RESUMPTION OF SWIMMING ACTIVITIES

- 1. Resumption of swimming activities at Gullivers Coomera can contribute many health, economic, social and cultural benefits to our community emerging from the COVID-19 environment.**
- 2. Resumption of swimming activities should not compromise the health of individuals or the community.**
- 3. Resumption of swimming activities will be based on objective health information to ensure they are conducted safely and do not risk increased COVID-19 local transmission rates.**
- 4. All decisions about resumption of swimming activities must take place with careful reference to these National Principles following close consultation with Federal, State/Territory and/or Local Public Health Authorities, as relevant.**
- 5. The Gullivers Coomera Rebooting Framework provides a guide for the reintroduction of swimming in our centre. Gullivers Coomera have introduced a 3 tier level for the re-introduction to swimming in our centre. These levels are listed as A, B and C below.**

Individual jurisdictions may provide guidance on the timing of introduction of various levels and all patrons and staff will be informed of the Level we are operating at within our centre.

6. At all times sport and recreation organisations must respond to the directives of Public Health Authorities. Localised outbreaks may require swimming and sports organisations to again restrict activity and those organisations must be ready to respond accordingly. The detection of a positive COVID-19 case in a swimming or sports organisation will result in a standard public health response, which could include quarantine of a whole team or large group, and close contacts, for the required period.

7. The risks associated with large gatherings are such that, for the foreseeable future, swimming and sports, within our centre, should be in a minimal spectator-free environment with the minimum support staff available to support the teachers and lessons.

8. The swimming and sporting environment (lessons and training) will be assessed to ensure precautions are taken to minimise risk to those participating in lessons and those attending lessons as spectators (where and when permissible). Gullivers Coomera Level A, B and C will be reviewed in light of government guidelines

9. The safety and well-being of Gullivers Coomera Patrons and staff will be the priority in any further and specific decisions about the resumption of swimming and sports, which will be considered by Gullivers Coomera Management.

10. Individuals should not return to Gullivers Coomera if in the last 14 days they have been unwell or had contact with a known or suspected case of COVID-19. Any individual with respiratory symptoms (even if mild) should be considered a potential case and must immediately self-isolate, have been COVID-19 excluded and be medically cleared by a doctor to return to the Gullivers Coomera swimming and sports environment.

11. All new Health and Safety Protocols will be followed in and around the Gullivers Coomera centre including social distancing, washing and sanitising hands on entry to Gullivers. Gullivers Coomera staff may at any time request temperature checks of patrons entering the centre. Should anyone have a reading of 37.5 degrees or more they will be asked to remove themselves from our centre.

12. Gullivers Coomera operates Swimming activities along with the Outside School Hours Care program. Please follow all new floor and signage decal signs to ensure social distancing requirements are adhered to.

13. All swim teachers and Customer Service employees will abide by all Public Health Authority directives. This means swim teachers will also social distance in and out of the pool.

GULLIVERS COOMERA COVID-19 HEALTH PLAN

Gullivers Coomera “Level A” Covid-19 Health Plan

1. Only those with advance bookings will be permitted to attend the Gullivers Coomera Swim Centre.
2. Direct Debit will be the primary payment option. No cash payments.
3. All Clients are advised not to attend the centre if they or their children feel unwell.
4. Temperature checks are conducted for everyone entering the centre. Should a temperature of 37.5 degrees or above be registered clients will not be permitted in the centre and advised to consult their GP.
5. Strict hand sanitising practices are maintained at the centre. Touch free hand sanitisers are available at the front entry.
6. Separate one way entry and exit points will operate at the centre with signage posted.
7. Clients will be advised they must present their children in swim ready attire. No Change room or Shower Facilities will be available for use.
8. Toilets and touch free hand basins with touch free soap dispensers will be available. Social distancing must be followed in the bathroom toilet areas.
9. Clients will be limited in accordance with the 4m² area rule per person.
10. Clients seating will be maintained at a minimum 1.5m distance apart.

11. Clients will be limited to one parent/carer attending lessons.
12. Clients will be advised they must leave the centre immediately at the end of their lessons through the designated exit route.
13. Lessons will be conducted in lanes and areas and in such a way that pupils do not come within 1.5m of each other.
14. Pupils will be 'assigned' swim equipment for the duration of the class and equipment will be disinfected at the conclusion of each class.
